### Shape Collage Maker Crack With License Code

Shape Collage Maker Full Crack is a fun application that you and anyone for that matter can use to create high quality photo collages in a few steps. It uses photos from your computer and a specialized algorithm to generate both simple and complex collages in a few seconds. A comprehensive interface for intuitive use Shape Collage Maker displays a more than user-friendly interface which makes it easy for you to understand what you have to do in order to obtain the collage. It's comprised out of a single window which is split into three sections from where you can load and preview each image that is to be used, view the assembled collage and change various settings. Create collages in any shape Shape Collage Maker is capable of auto-arranging the photos you load into a specific shape. That can be one of the many it provides by default but it can also be one that you have personally designed. With a shape selected, all you have to do is click the 'Create' button and the application generates the collage in a second. Customize collage size Two things that are really appealing about Shape Collage Maker are the fact that you can create a collage of any resolution you want and that you can then save it as a PSD file. The latter is by far one of the best things about Shape Collage Maker as it offers you a high level of editing freedom if you have Adobe Photoshop installed on your computer. Apart from those, Shape Collage Maker also allows you to adjust the spacing between the photos, the color of their frame, rotation and shadow offset, all of which greatly contribute to a good looking result. A practical and powerful photo collage editor To sum things up, Shape Collage Maker is by all means a good looking app that is easy to handle and can deliver great results with minimum effort....
