
Diabolik Lovers English Download Pc

We have finally completed our English patch for Diabolik Lovers Haunted Limited Edition V... .. I think everyone liked this patch. If you want to try it, you can download it here. But the patch is just the beginning. This is far from over. To be continued. And we even plan to make a sequel for our English edition. Unfortunately, we were unable to do so at the time this patch was published, but we will definitely do so in the future. So please look forward to the sequel. In the meantime, here's our latest news.
