I've got a little problem with pagination in my CakePHP project. I use the ModelList to loop through all the models of a certain model. For example, if I would like to get the data from this model, I would use the find() method. However, when I try to paginate my results I get this error message. Controller::\$model->find('all', array('conditions' => array('AND' => array(\$query))); Error: Cannot pass conditions through find() call. Here is my view echo \$this->Paginator->prev('Paginator->numbers(); echo \$this->Paginator->numbers(array('separator' => " ")); echo \$this->Paginator->next('>'); and here
