gtasanandreasfastandfuriousmods With this mod, the player will be able to fully feel like Schumacher - the legendary racer, who is one of the most successful. The mod adds new tires to the game in which you can play in races. To install this mod, you need to unpack all the files from the archive and move them to the folder \\My Games\\Need For Speed 3€d€- Undercover\\Savage Mod\\Release. Don't forget to restart the launcher. If you want to play racing with the help of a computer, then you need to download the game client.
