
Cities XXL - Map Editor Download For Pc [full Version]

October 30, 2015 1€” The Cities XXL Map Editor is a free tool for all Cities XXL owners. To download and install it, simply navigate to the “Tools” category on your Steam. You can also download it in Cities: Skylines by selecting Map Editor from the main menu. With it, the player can create their own roads, highways, buildings, parks and even entire cities! There is no time limit in Cities XXL, so the developers can't influence the creation of the map. However, you can change the settings and create a map that best suits your requirements. Among other things, the map editor allows you to create new games
