Mouse-Masha-and-Veronika-Babko-Hard-Slideshow.After nearly 20 years, the popular anime series, dubbed Iron Man in its original Japanese version, will be returning to TV in a reboot. That is the result of a partnership between the current Iron Man co-creator, Robert Downey Jr, and Joss Whedon. Downey is set to provide the voice of Tony Stark in the reboot, set to debut in 2017, and will be the main focus of the show for Marvel Studios. The original Iron Man came out in 2002, and chronicled the journey of the armored megalomaniac, inventor and billionaire, and set it in the present day. Whedon had been involved with the character for years prior, and conceived the original Iron Man together with Marvel Studios
