The Ring of Chaos (also known as the Ring of Peace) was forged by the lost civilization of the Elden Ring Crack Free Download. It is said to allow the bearer to wield a mysterious power that surpasses that of other magics. It is an object of great reverence to many, but is feared by many more because of its immense power. The reign of the Elden Lords ended with the attack of the demonic Tenebrous army in 888. The kingdom was overrun. The Ring of Chaos was taken from the city of Elden in the Lands Between and they, along with the army of the Elden, were lost. The only one who survived was a certain young woman from the royal family. She had to flee from the horrific war and she headed toward the cold regions of the north with a broken heart. She was crossing the lands between the wasteland and the frozen north when she heard the sound of bells and the crying of the creatures. She followed the sound, passing through the forests and snow plains and eventually came upon the temple of the Western God. She entered the temple and received a new sword of light. She was given the name of "Tarnished". A young elf woman at the young age of eighteen, with an unimpressive appearance, she met the guild master of the Western God, entrusted to guard the Eastern God's

sword. He taught her several spiritual powers that could only be used by high-class players. However, he told her that she could reach a higher level of power by joining his guild, the Ordos. The guild master told Tarnished that the Elden Ring's power is being gathered in the east, and that the Ordos had been invited to defeat the four kings. He also told her that they would be protecting the city of Ordos. Tarnished, who already had a powerful spiritual power, set her mind to the Ordos and began training to become an Ordos warrior. By the time she had reached the top of her training, the Ordos had been long gone. She continued searching in the cold wastelands of the North, and then went back into the forest. There, she found the Elder God, which was hiding from the demonic invasion of the world. The Elder God gave her the power of Ice, and Tarnished was able to destroy an entire army of the Tenebrous soldiers. She was now a wanted criminal in the Lands Between. However, she
