• Take on a Job in an Extraordinarily Rich World and Discover the Inner World of the Lands Between The story of the Lands Between is told through flashbacks, which provide different perspectives on the same story. Each time you enter a new world, you will be able to experience the story differently. • Play as a New Character The player's character is a Tarnished, a life that lost its original form through an “Animus Corruption”, and is now a dull, green, and weak Tarnished. • Combat System that Supports Complex and Dynamic Gathers Select one of the 6 Tarnished classes, and learn the system and strategies that are different for each one. • Use the Meister class to Focus on Gathering and Get Rewards through Skill Challenges In addition to basic Attack and Magic, you can even set your own style and build your own way of playing. • Fully Equipped We have invested in a lot of time to put a lot of work into crafting a deep and beautiful world, an innovative and fun game system, and an action game that is never short of fun. ABOUT NAKAMA GAME: • 100% Free Action Game Born from the manga fantasy action series of the same name, “NAKAMA GAME” is an action game that has been developed with love. We are constantly developing the game with the new content of “NAKAMA GAME: The Second Volume” published monthly, so we hope you enjoy the game. • Connection with the Manga and anime series of the same name For those who enjoy the series, we hope they enjoy playing this game.
