26 November, 2015Â . We at Cracksguru, have launched a "cracks" database with the names of millions of cracks and keygens available on the internet. We have good knowledge about the software crackers in our team. We would like to list the names of those cracks that are cracked but not verified for our crackers for the safety of our users. If you want to share the names of such cracks, please add a comment in the "comments" of each cracked files. We will list all the cracked files in the database, so if you see a crack, please contact us here. We are also looking forward to add more names for cracking.
