New Players A new free agent system and Transfer Market allow you to spend your way to greatness. 19 teams are back with new and updated kits. New Player Formation New Player Formation allows you to set how a new player is created. New Match Types Choose from multiple match types in a standard or localised season mode. In standard season, create local cups and leagues. In localised season, an immersive city-wide tournament with online and local leaderboards and knockout rounds to determine the champion. A new 'Familiar Face' ability re-enables the 'One Man Team' players to choose a selected player from the opposition to act as their 'default' player to suit up in their team. New Match Interactive Intangibles The ability to alter your default formation in any game mode. The ability to send a 'coaching message' to your goalkeeper to gain an advantage. Player Innovation Choose between a different reactive player animation set for 'El Mago', 'King', 'Mastermind' and 'Legend' to provide a special skill. More creator options allow you to adjust more than just the profile picture in other features like the Player Card. New Commentary Team Includes brand new official commentary voices and out-of-this world graphics. New Timekeeper Configure the Timekeeper's View to show pre-match buildup, halftime times and post-match recap with a scrolling timeline. New Match Interactions Pause the game while in your last two defensive dialogues and ability to press the A button to reactivate your 'Ability' in any location. Replays can be quickly skipped during the live game using the Pause button. New Player Reactions Upset when other players get injured or substituted. Give the player confidence with the best view replay to discuss tactics and show just how good you are. Achievement Achievements allow you to get a badge for collecting every version of the game. Play Store Support a particular player's profile with a generic 'Player X' badge for that player. Controls A new innovative 

Features Key:

- **Better handling with real-time controls.** Augmented Reality, a revolutionary way of controlling the ball with a mobile device, brings to life the sense of being on the pitch. New ball physics adds an on-pitch reality to dribbling and passing under new pressure.
- **Enhanced passing and shooting mechanics.** A host of new strategies, movements, feints, crosses and shots are possible in the new 3-Dimensional Skill Progression System. The proximity to the ball and body rotation are also far more refined than in previous titles. Shooters have the highest-powered shooting mechanics in the game and can make more powerful shots. Controls will adapt to the position and body angle of the players to maximize accuracy and skill.
- **Revolutionary Real-Time 3D Gameplay.** Augmented Reality brings true-to-life physics to ball handling: Feints, spins and body control all operate in ways that perfectly correspond to the game's restrictions. Use a mobile device to get a better feel of the game.
- **Best online and offline player performance in FIFA history.** FIFA's collective ranks have never been more diverse, with 6 billion possible changes to your players, kits and tactics available.
- **Full Online Season Pass.** Full access to FIFA EA SPORTS Season Pass Ultimate, the most comprehensive online community experience in sports gaming. Includes all future live content, as well as early access to Features and Content Updates for Xbox One, PS4 and PC. Season Pass holders also get early access to the FIFA 2018 Ultimate Team cards and the Ability Kit pack.
