Best regards Eric I have strada cn dv155. I would like to change the language. Whats the best way? thanks I have a panasonic strada cn dv155 with navigation on it I would like to change the language only the navigation is japanese and the is a small screen in the center of the dash the main screen is to small please help A: The easiest way is to find a service manual for your specific model in English and translate it to Japanese, this requires some internet connectivity and no professional skills. A: The manual for the specific model of navigation can be found on the Panasonic website. Some model specific manuals are given on the English language website of Panasonic's navigation navigation of the Japanese model. Life on a changing campus!
