"The court is pleased to see that the estate has been reasonably speedy in discharging its fiduciary duties as prescribed in law. And to that extent, this matter has been entirely resolved," Judge Kimba Wood said in the case. The lawsuit was filed against the actor, his daughter Victoria and his late wife, actress Alice, in September 2013. Lawsuits have also been

I've tried different approaches for updating the content css file to take the image from my theme instead of the embedded image hosted on an external domain on Shopify: I've also tried editing the embedded Putting everything in the header.tpl file: Changing the name of the template to 'header_tpl' in the conditional tags. Nothing I've tried so far has worked for me. Is there a way to include an image from my theme so it's fully responsive without the image being taken from an external domain? A: You can replace background of with your own background image. I think if you put background-size: cover in your style, it will cover all viewport. It will make the background always be fullsize. Q: What rules govern precedence in NMR spectra (not

She made you promise to come back and visit her new home, and tell her about your life. Now you're back. To stay. That's the thing, isn't it? You have to stay. In the wake of Tina's death, the town you remember is not the same as it was. A place where boys are still afraid of girls, and entire families are torn apart by the actions of a crazed former high school student. When you find yourself going down the same path as your former classmate, you realise this is no longer your home. The murderer has returned. Explore the town and hear the truth behind the tragedy. All eyes are on you!Majority of Italian voters in Europe's fifth-largest

economy feel left behind by the world, say a new poll - but austerity is the key worry. Rome, Italy - On Thursday, several hundred protesters, emboldened by the success of the "yellow vests" in France, gathered outside the Italian government's ministry of finance to demand extra income from the country's richest sectors. The week's demonstration is an echo of the so-called
