The Elden Ring Cracked 2022 Latest Version is an online fantasy RPG which focuses on deep combat with various weapons and magic. In a world where the Elden – the world’s elder race – once ruled, the Elden Ring was formed as an organization where the descendants of these rulers travel to today, trying to gain power through fierce battles. The Tarnished Kingdom – a nation only child – is the kingdom of the Elden Ring, and it’s invaded and taken over by the hostile nation of Mandragosa. The country is divided into separate alliances, and none seem to be winning. During this time, the protagonist who becomes a member of the special unit belonging to the Elden Ring is chosen from the nation. The protagonist is Tarnished Knight, a Tarnished Kingdom’s descendant who’s neither a king nor a minister. Tarnished Knight begins a journey to regain his ancestral kingdom and join the Elden Ring.
