Report: Titans' quarterback Ryquell Armstead suspended for offseason arrest A New York Giants fan reacts during the game between the New York Giants and the Tennessee Titans at MetLife Stadium. (Ed Mulholland | USA TODAY Sports) A New York Giants fan reacts during the game between the New York Giants and the Tennessee Titans at

MetLife Stadium. (Ed Mulholland | USA TODAY Sports) ALBANY, N.Y. - Playing fantasy football this offseason is fun. But for Ryquell Armstead, it can be deadly. The No. 21 overall pick in the NFL Draft by the Tennessee Titans signed a four-year rookie contract on May 6, three days before Tennessee played in the 2019 NFL draft. As a result, Armstead had to wait until the season was over to begin taking part in the NFL's offseason program. Dale Zanine of the Tennessean first reported Armstead's suspension. The deadline is typically March 17,

but the league’s suspension policy permits players to participate in the program through the fourth week of the season. Agent Ronnie Davis told WSMV-TV, Armstead “was being watched” when the suspension was announced. The video below shows Armstead, a three-year starter for UConn, sharing a hug with offensive line coach Pat Flaherty at the draft. “Big Red” played in all 13 games for the Titans last year. He started seven times, finished second to Ryan Tannehill for the Titans’ No. 2 quarterback job and was a surprising Pro Bowl alternate last

year. A 6-foot-5, 321-pound offensive tackle, Armstead's playmaking ability and toughness made him a safe, first-round choice. A former three-star recruit who enrolled at UConn two years after transferring from East Stroudsburg, Pennsylvania, Armstead's star declined a bit after he switched to UConn. After registering 66 total tackles and two sacks as a redshirt sophomore, Armstead registered just one sack and two hits his junior year. But with Flaherty coaching the offensive line, Armstead blossomed into a Pro Bowler, breaking into the

starting lineup as a rookie. Last season, Armstead's production plateaued early in the season. By the second half, he was an efficient passer and a dynamic run blocker.
