Star Krish and Shruti Haasan are playing their characters in The Ra. One. Horns on sheep Horns on sheep refer to horn-like structures which are instead pustules of skin. A pustule is a small pink or purple lump on the skin, which can be a nuisance. Significance Australia A number of small animals that are farmed in Australia have been reported to have such abnormal structures. Pregnancy in sheep may trigger the growth of such pustules and they may occur in adults or lambs. Puberty In young lambs it may be a result of weak and irregular suckling, and in older lambs they may form the next stage of horn growth. These large numbers of small horn-like protrusions are usually obvious in the rump and thighs of young animals, but soon develop in other parts of the body. Some large sheep breeds such as New Zealand Merino sheep do develop horns from the time of birth, but they are not as numerous as in cattle or buffaloes. Nor
