FIFA Ultimate Team bonuses FIFA 22 introduces 10 new ways to earn, buy and activate FIFA Ultimate Team (FUT) cards. A new in-game tool, which is available in the game world, allows players to swap their current card with a legacy card from an inactive slot to improve their squad. In addition, there are new ways to track your progress with your Legacy card via the FIFA Ultimate Team Leaderboard and the FUT Hero Transfer Market: FUT Hero Transfer Market FUT Hero Transfer Market is a large-scale roster transfer market for FIFA Ultimate Team. Players are able to trade their current cards with legacy cards that are inactive in their game worlds. Players can access the FUT Hero Transfer Market by clicking on the Legacy feature on the FIFA 22 companion app (iOS | Android). FUT Leaderboards The FUT Leaderboard is a massive multiplayer leaderboard for FIFA Ultimate Team, with cards displayed and players ranked according to their FUT Master rating. Win tournaments and climb the FUT Leaderboard as you beat your friends and climb the

ranks. Daily Challenges Daily Challenges are unique single-player objectives that will be updated daily based on community feedback. The first wave of Daily Challenges will be active for a limited time. Cards in the game that are tied to the Ultimate Team Legacy feature have been marked with an asterisk (\*). These Legacy cards can be traded with inactive Legacy cards in the same way as current cards, and they can be transferred to FIFA 18, so you don't lose the final upgrade. U Upgrade Cards FIFA 22 introduces Upgrade Cards in FIFA Ultimate Team for the first time. These cards can be unlocked throughout the game and can be used in-game for gameplay boosts. FIFA Ultimate Team Mode In addition to the new features in Ultimate Team mode, FIFA 22 introduces a brand new gameplay mode, Ultimate Team, to FIFA Ultimate Team. Ultimate Team gameplay is focused on completing gameplay challenges called goals to earn cards and earn victory points (VP). New Actions FIFA 22 introduces new football skills and new actions. These are key elements of team play and online gameplay. Skill Overhead Kick New to FIFA, Overhead Kick is a quick team skill that allows players to kick an on-target pass between the penalty area. The player's teammate has the option to
