So Long, Shakespeare [Brown, Tom] on Amazon.com. . Dan Brown's style of storytelling, slightly confusing science that was just as enjoyable to read as it was.. I read the book very quickly and I'm very happy with it. I would say this is the best book I have written before starting to write Death Among Us. I am very proud of what I wrote, and I hope the readers are happy too. For those who disagree, I am certainly open to criticism, but first I would like to mention that I do not like to criticize others as much as I like to praise them. I say this because I have written many books and I know others may disagree with what I say.
