Â: ... And finally, we come to the first section of the book, which is called "History", or rather - "History with a capital letter". And it consists of three chapters. The first chapter is called "The Rise of History". The second chapter is called "The Rise of Historical Consciousness". Well, the third chapter is simply called: "The Emergence of Historical Consciousness." Don't be scared. This is not such an abstruse and intricate book, if everything is so simple and clear in it. Indeed, history with a capital letter is the history of humanity.
