Download

March 13, 2021 - STORY: In a post-apocalyptic wasteland, a woman rebels against a tyrannical ruler in search of her homeland with the help of a group. They travel through dangerous and dangerous territories, looking for weapons and food to survive these terrible times. This is a story about how to survive in a world like this. This is a story about how to deal with difficulties and win. A civil war is going on in a post-apocalyptic desert country on planet Earth. The ruler of this country, a tyrannical dictator, knows no pity. He enslaves everyone who lives in his domain, turning them into his slaves.
