Anna Karenina: Created by RJ Nuevas.  
Crystal Reyes, Barbie Forteza, Joyce Ching,  
Sandy Andolong. The novel of an aristocrat  
with a rich count turns around.

“Damn!” I moaned, stumbling once  
more. I haven't been able to walk normally  
for a long time because my leg doesn't work.  
She became very bad: she doesn't bend,  
she doesn't move, I don't feel her at  
all. I'm not complaining, because it's not in  
my rules to complain. My friend Max and I  
used to joke that if it wasn't for my leg, I  
wouldn't know how to live. And I am grateful  
to him for that. He does not love me the way  
I am now, but he understands that I can  
handle it. I don't blame him. He's right: I'm  
not strong. I'm weak.
