The circuit will be 100% street legal and the NTKK shall be based on the FIA Safety Car Circuit, generally referred to as the Diamond for short. The track will be approximately 3km in length and the purpose of the NTKK is to provide a great domestic level race that will be friendly for both experienced and casual racers and enjoy maximum opportunity for all drivers to succeed and fulfill their dreams of becoming an NTKK competitor. The event will not only showcase the NTKK format, but will also allow for NT competitors to compete on equal standing with our visitors along with their karts. NT rules will apply and scrutineering will be conducted by qualified officials. Registration for members is open and prices starting at \$75.00. Check out the Facebook page ([www.facebook.com/NTK](http://www.facebook.com/NTK)) for more information and to register as a member. For more information on the NTK see the website ([www.NTK.org](http://www.NTK.org)). Stay tuned for more updates as we approach our 5th Annual Kart Cross. The competition is big in the US, especially in California and Texas, but in Brazil, the entry level of races costs a lot of money. We already saw tremendous success with our NT Kart Championship run this year. We can do it again and even bigger this year. Bring on the fun and the battles! Being only 16, Karateboy went to Europe, where he went to learn to drive go-karts. Due to his age he has not been able to compete in any European championships, but has competed in various races, beating and dominating his opponents in go-kart racing. Colin and Rob Janes joined kart racing as teenagers when they were given an old kart for Christmas and then built up their racing careers. Rob finished his karting career in 2015 after winning the 2009 and 2010 Junior World Karting Championship in Sweden and the 2009 and 2010 European Junior Karting Championship in Italy.

Some changes to the meeting schedule has been made due to severe weather that prevents our staff and drivers from getting to all the venues on time. Due to this the times/event count for Saturday will be 30 minutes shortened. [1] Australian Karting is so grateful to all of our competitors and their family and friends who travelled so far to compete for the overall Kart Cross Australia title. We were also really pleased to see a huge number of young competitor in this event which we hope to see more of in future events. We would like to thank the other South Australian Karting Clubs for making their athletes our 'home team'. It is not always easy to balance an active life and a serious sporting commitment. It takes a special person to be able to juggle all this. Sec8ef588b
