Have you ever pulled up to a dock only to find out the fixed chairs went properly spaced for your small boat or personal watercraft with the dock helper portable that you can create your own fix off points exactly where you need them to secure your watercraft. The dockside helper is made of marine stainless steel, has a lightweight construction, and is small enough to easily store. Urcheuler brilliant is an easy to use and free of scheduler. It allows you to find out the most popular websites on the internet, most viewed websites, most indexed websites, and even top directories. Set up a portable hand washing station quickly by connecting this portable hand washing sink to building plumbing. The sink is perfect for temporary needs, although it can also be used as a permanent fixture. If casters are removed and the item is installed per local plumbing and building codes, the 28" counter height (24" without casters) is perfect for adults or older children with the help of a step-down stool or step-up stool. The cabinet is crafted of solid Baltic birch plywood and features an ultra-quiet countertop with 3 deep stainless steel sink. The faucet features a water-saving spray nozzle, a 1/2" goose-neck spout, and adjustable paddle handles. Water flow needs to be connected to a water source with 1/2" or 3/4" threaded fittings and drain the needs to be connected with a 1/2" dia. fitting. Link contains no internal plumbing, pumps, or water heater. Any more requests I can help you with? I can, with you can always contact me for any help. If you have a great idea and all you need is a little push to get it to me, your support is greatly appreciated, and I hope to hear from you soon.
