

the tudou has it ready for you to download, at least as of the time i'm writing this. according to mr. kazuki nakai, hn , hn japan and hn japan, the blu-ray contains both berserk: the golden age arc-tristia and berserk: goldorak of the three religions. i have not confirmed this nor could i find any way to confirm it. the proof, however, is within my imgur collection. despite the continuous berserk annual series, only the berserk: golden age arc-tristia dvd was released so far. now that berserk and berserk: the golden age arc-tristia are finally coming together on blu-ray, enjoy them. enter your email address and you'll be notified of any updates to this post. get ready to see more of my berserk fanart than you knew existed! enter your email address and receive notifications of updates to this post. if you want a berserk blu-ray, there is no way in hell you could ever be informed about it. the rumor i mentioned above is a complete fallacy, in so much that it is false, lol. i just couldn't believe it, so i figured i'd post about it. the golden age of the series has begun again. with the anime that began in the 1980s concluded, hopefully the series will continue in this form. berserk is an anime series about a deep fantasy world where large lions and dragons roam free and humans are under constant threat of attack. the first arc in the series is berserk, which is currently being release in three dvd volumes to be released in july 2012. released between 2005-2012, the 13 episodes are currently being released on dvd. available in english for your language, you can download it from the official berserk website. youtube video link
