More details, visit # # org.gradle.parallel=true like the other counts the plaintiffs alleged. Proximate Cause The defendants have asserted that the plaintiffs' inability to obtain an employment opportunity is not the proximate cause of the plaintiffs' damages. The defendants argue that "the plaintiffs have not alleged or shown that they were in any way damaged by the lack of the Commission's post-termination advertising, and accordingly, their complaint cannot be sustained." [Defendants' Memorandum in Support of Motion to Dismiss, p. 7]. The plaintiffs have alleged that [d]espite their formal acceptance of employment with the Post, the other news print publications, and numerous television stations, defendants failed to further promote plaintiffs' employment. Plaintiffs eventually learned that the numerous media outlets that had accepted their employment would not employ them. When they attempted to receive employment in the years immediately following the announcement of the hiring freeze, they were unable to get any employment offers. It is axiomatic that if the f988f36e3a
